Sexual Assault Centre of Edmonton

The Sexual Assault Centre of Edmonton (SACE) strives to empower individuals affected by sexual abuse and sexual assault. SACE also encourages communities to take action against sexual violence.

We believe:

~ sexual violence is an abuse of power and trust
~ people can heal
~ in valuing diversity and respecting all people
~ people should be free to make their own life choices
~ each person should have the opportunity to learn and grow
~ in creating a safe environment and maintaining confidentiality
~ inability to pay should not be a barrier to receiving service
~ in providing support and advocacy for people who have been affected by sexual violence
~ services must be accessible to children, adolescents and adults, regardless of gender
~ communities must take action to protect vulnerable people and to become free from violence
~ public education and advocacy are vital for eliminating violence
~ offenders, not victims, must take responsibility for violence
~ teamwork is essential
~ volunteers are crucial to our agency and provide a link to communities
~ in working with other agencies to further our common goals
