Extra Duty Detail Fee Structure Changes

This is to advise that the current fee structure for contracting Extra Duty Detail EPS members will increase effective January 1, 2016.

The final fee structure is;

Extra Duty Detail Hourly Fee Structure	
	Clients Charged
Constable	\$122.00
Sergeant	\$147.00
Staff Sergeant	\$162.00
Inspector	\$189.00
Vehicle	\$30.00 per hour Min. 3 hours
**Fee Structure will be re-examined before September 1, 2016	

The rate of pay for an Edmonton Police Service member (rank specific) is determined in two parts.

First is the member's salary. Clients paying for private contract policing have not had an increase in the rate for 6 years, since 2008. This is now the subject of the increase.

Second is the percentage increase on top of the member's salary to pay for the direct and indirect costs associated with operating the Extra Duty Detail Office (administration, management, equipment, training and other sundries associated to operating a cost neutral business of providing extra duty services). This remains unchanged at 30% for all ranks.

Our commitment remains to deliver the most professional law enforcement services and provide complete forecasting for your budget considerations by September each year.
