Remove all items and valuables.

Protect your vehicle and purchases this holiday shopping season

- > Keep your purchases out of sight. If they can be seen, they can be stolen.
- > Try not to return to your car to leave purchases before continuing with your shopping trip, as thieves may watch car parks for these opportunities. If you must, cover them with an old blanket or put them in the trunk.
- > Arrange to collect heavy items from stores when you have finished all your shopping.
- > Don't leave your vehicle running unattended.
- > Use a steering wheel locking device like The Club.
- > Remove all personal items from your vehicle including insurance and registration documents.
- > Lock your doors and close all windows.
- > Park in well-lit, populated areas at night.
- > Report any suspicious activity to police.
