DISTRACTION THEFTS

PUTTING YOUR SAFETY FIRST
IS NEVER RUDE.

Criminals may appear harmless when using distraction to divert your attention. This allows them to steal from you, usually without you noticing.

BE CAUTIOUS

Distraction thefts can happen in parking lots, public spaces, or outside your home – such as driveways or front yards. Be cautious if someone approaches you unexpectedly and tries to get in your personal space.

SECURE YOUR BELONGINGS

Never leave your belongings unattended. Always be aware of your surroundings.

REPORT IT

Call the EPS non-emergency line 780-423-4567 to report.
