TOURS THE EDMONTON
POLICE SERVICE

COLOURING BOOK

**Hey Kids,
Join Barney the Bear as he shows you around
You will get to meet the police all over town**

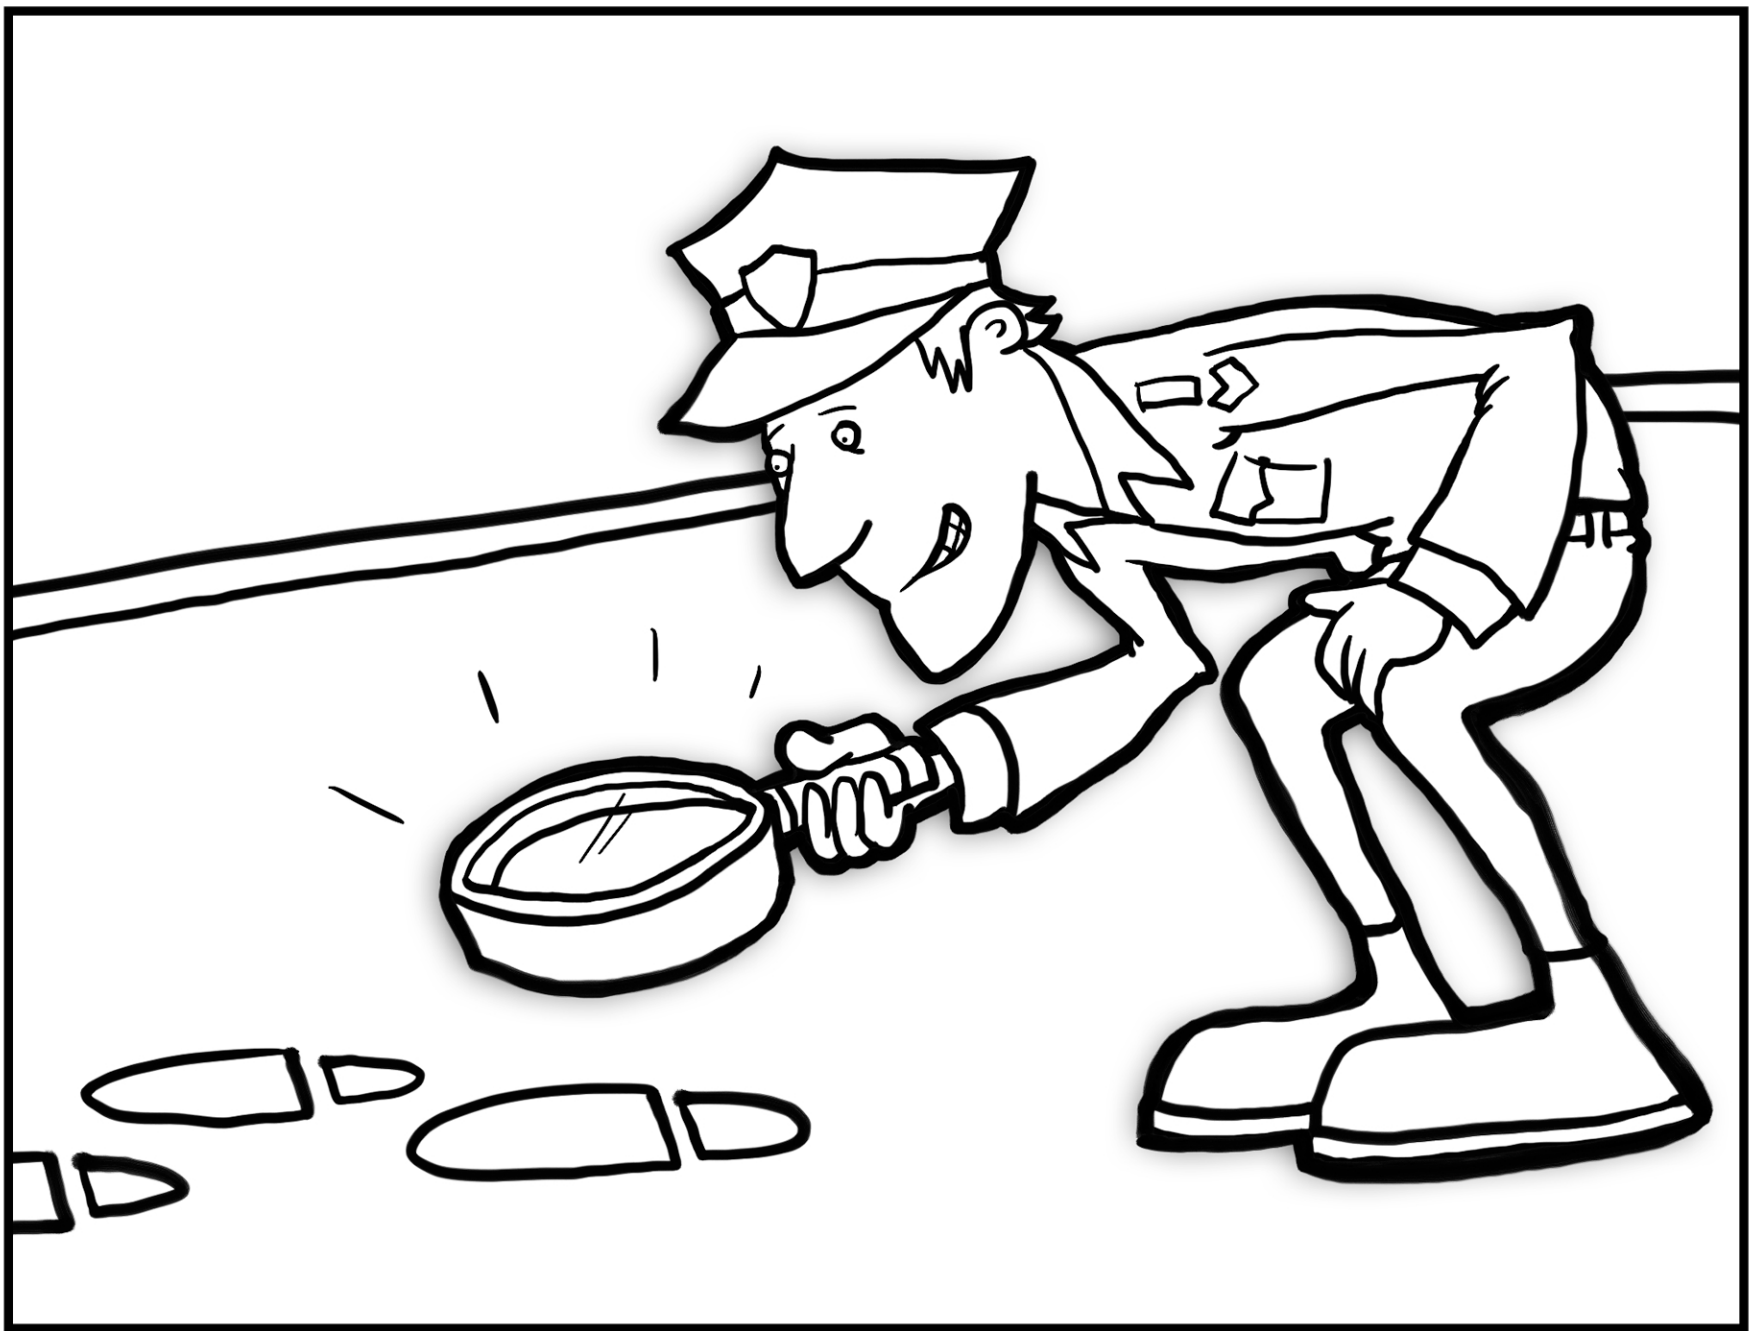

**First of all, he shows you the crest
A badge worn by Edmonton's best**

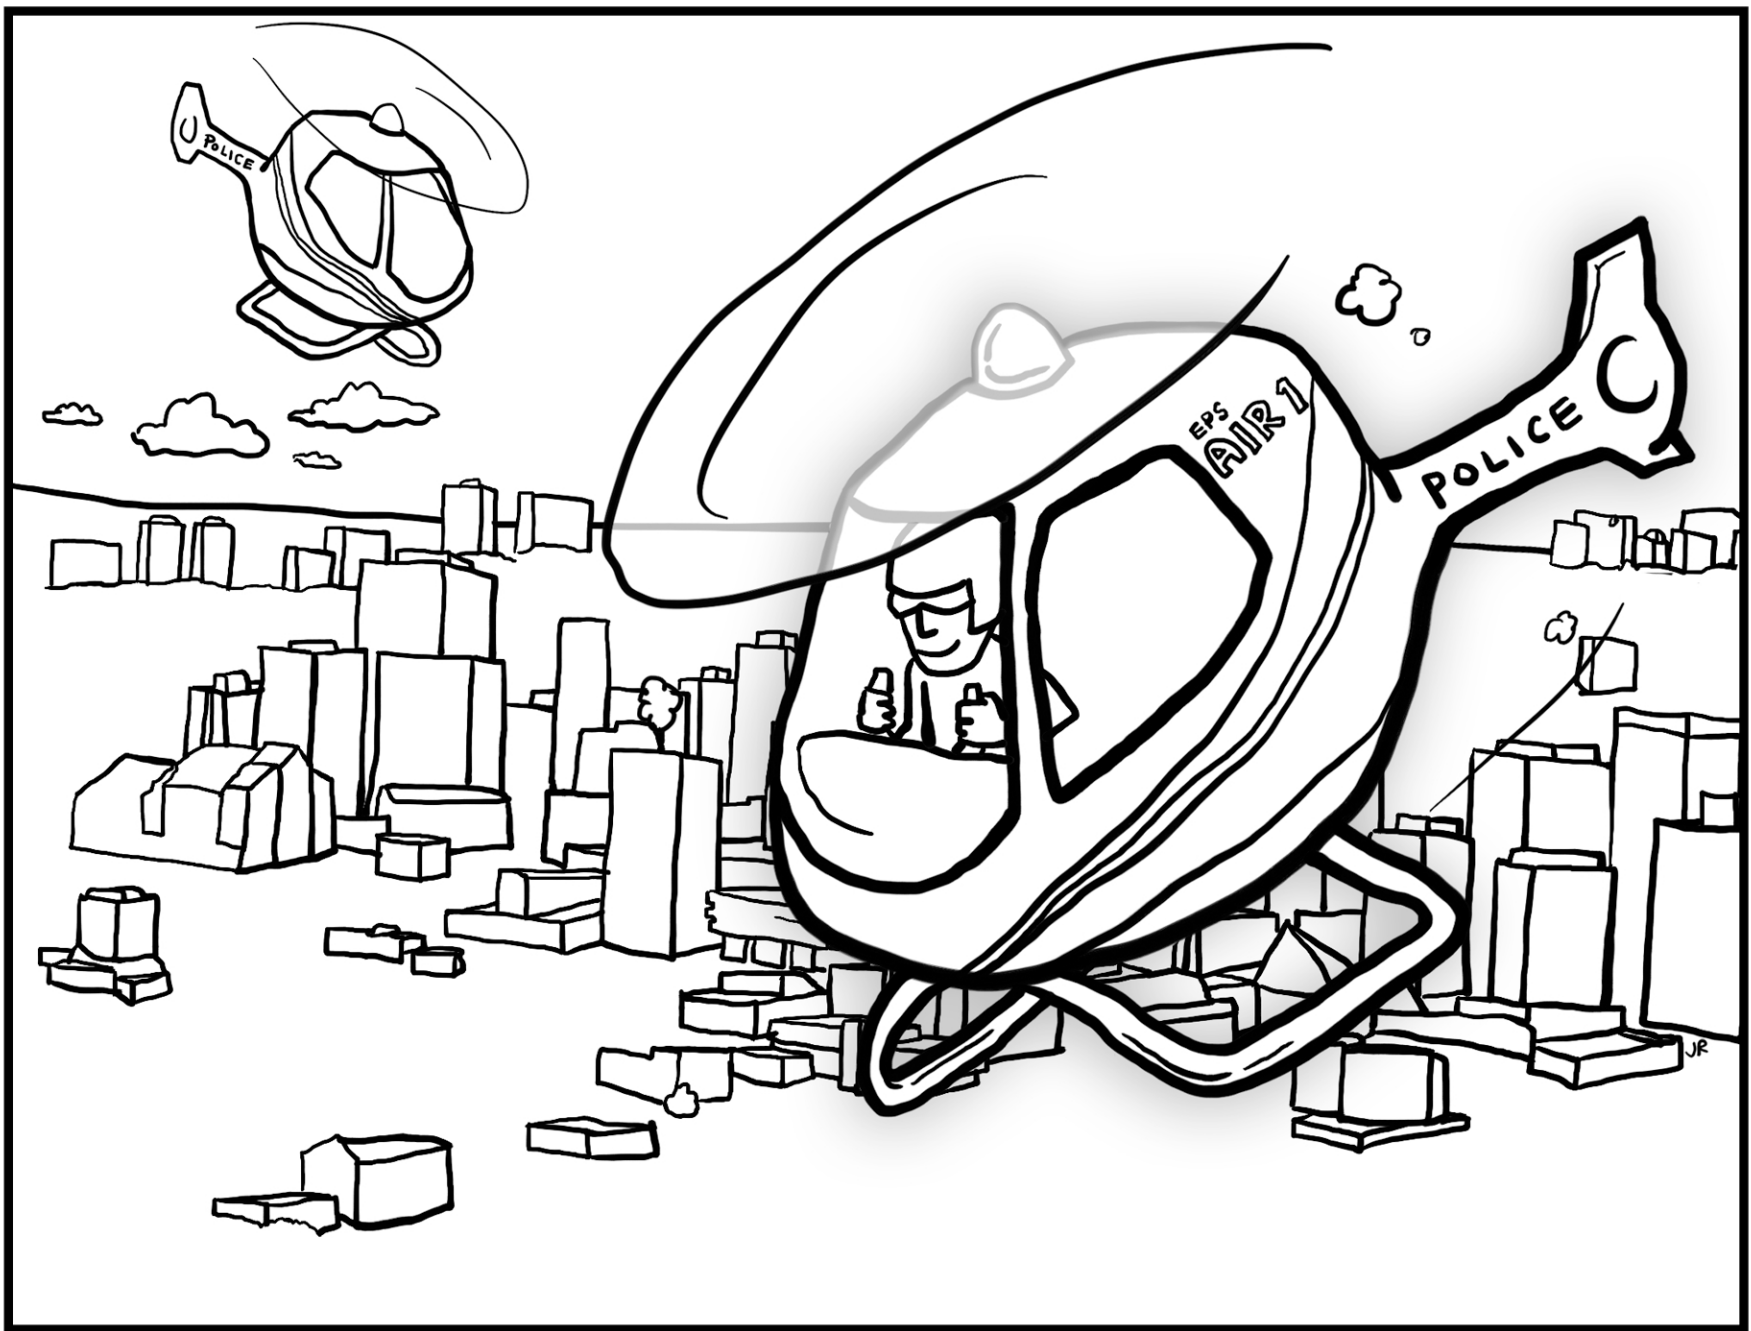

**Here's a police officer explaining the ride
Protecting the city, and serving with pride**

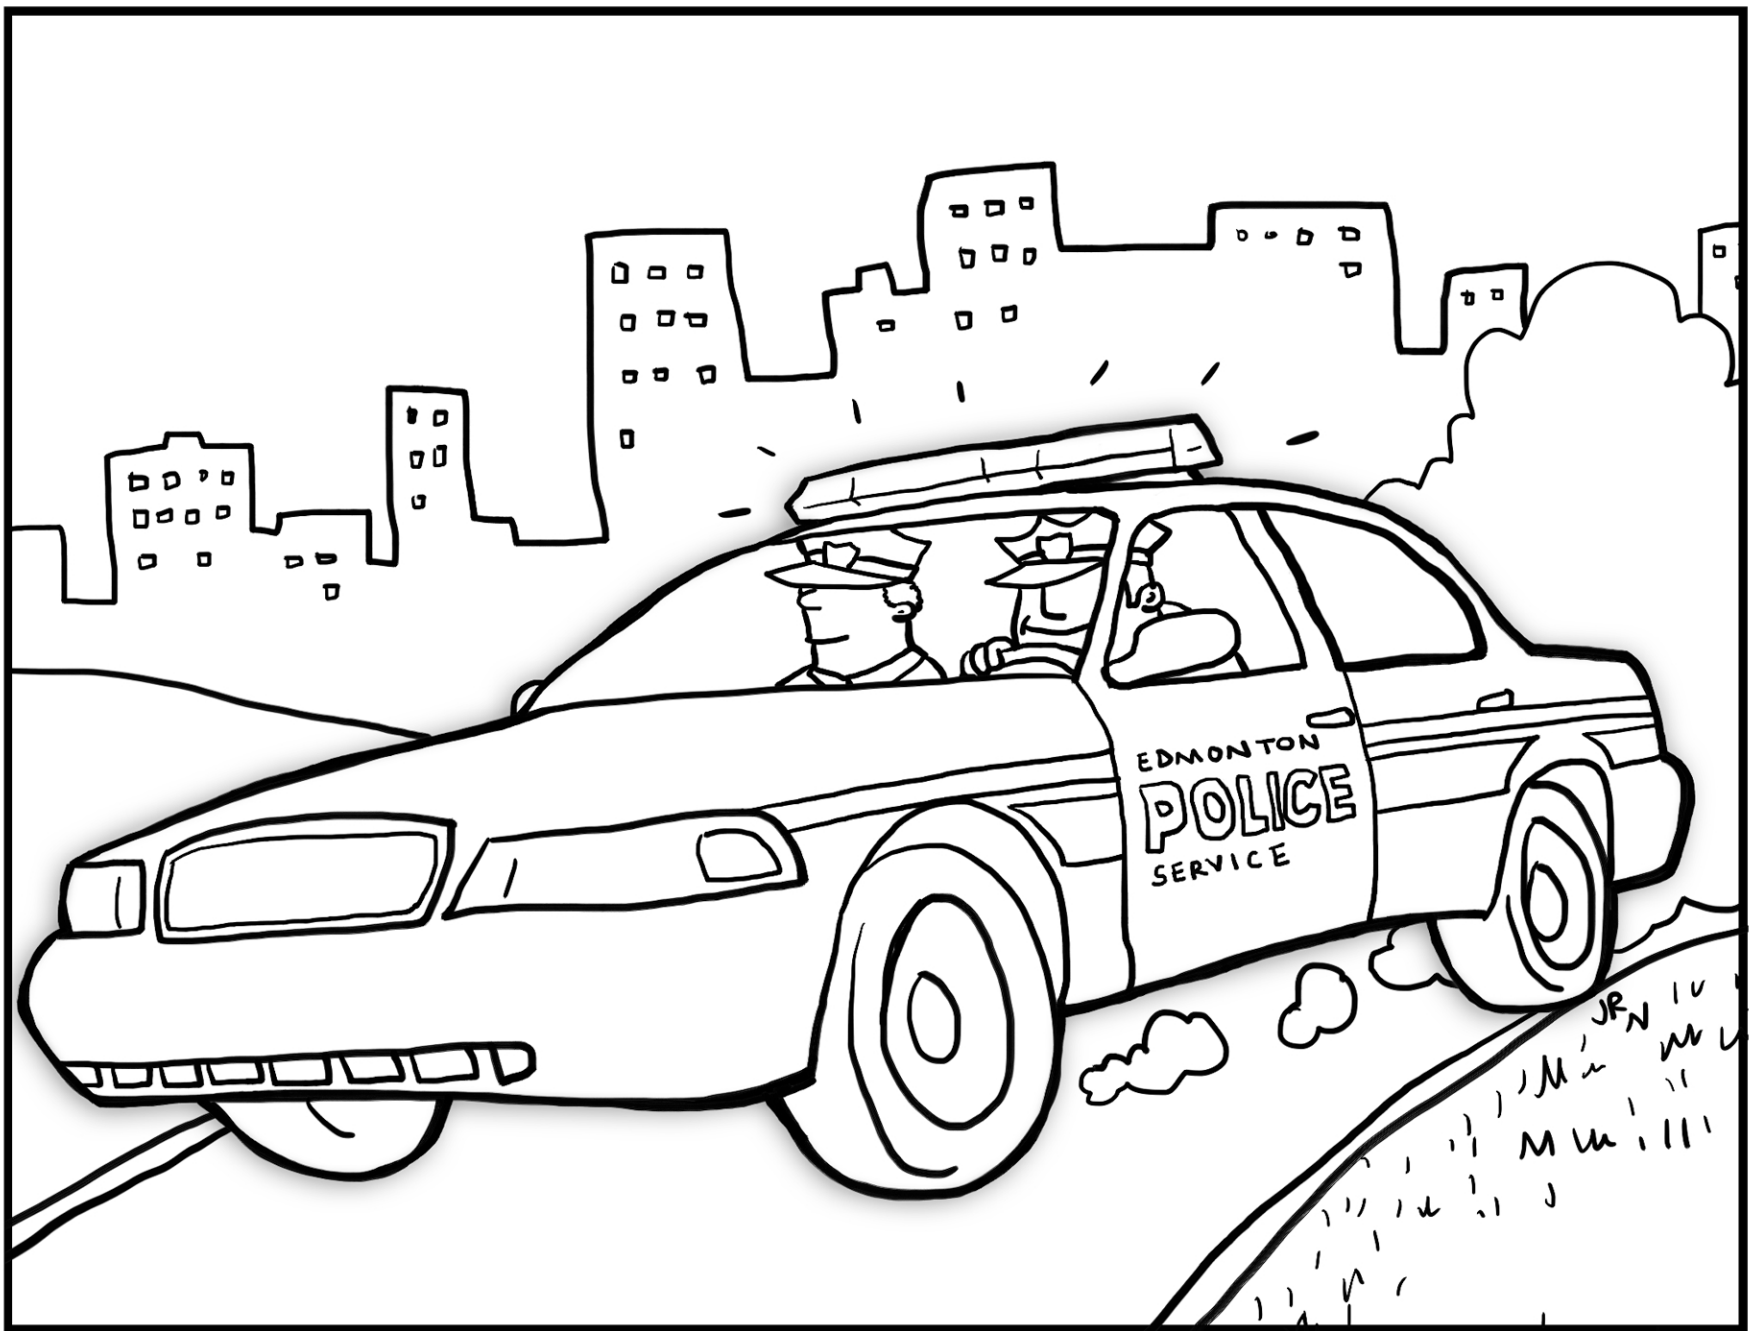

**Dispatch is here, always on the ball
Ready to answer the 9-1-1 calls**

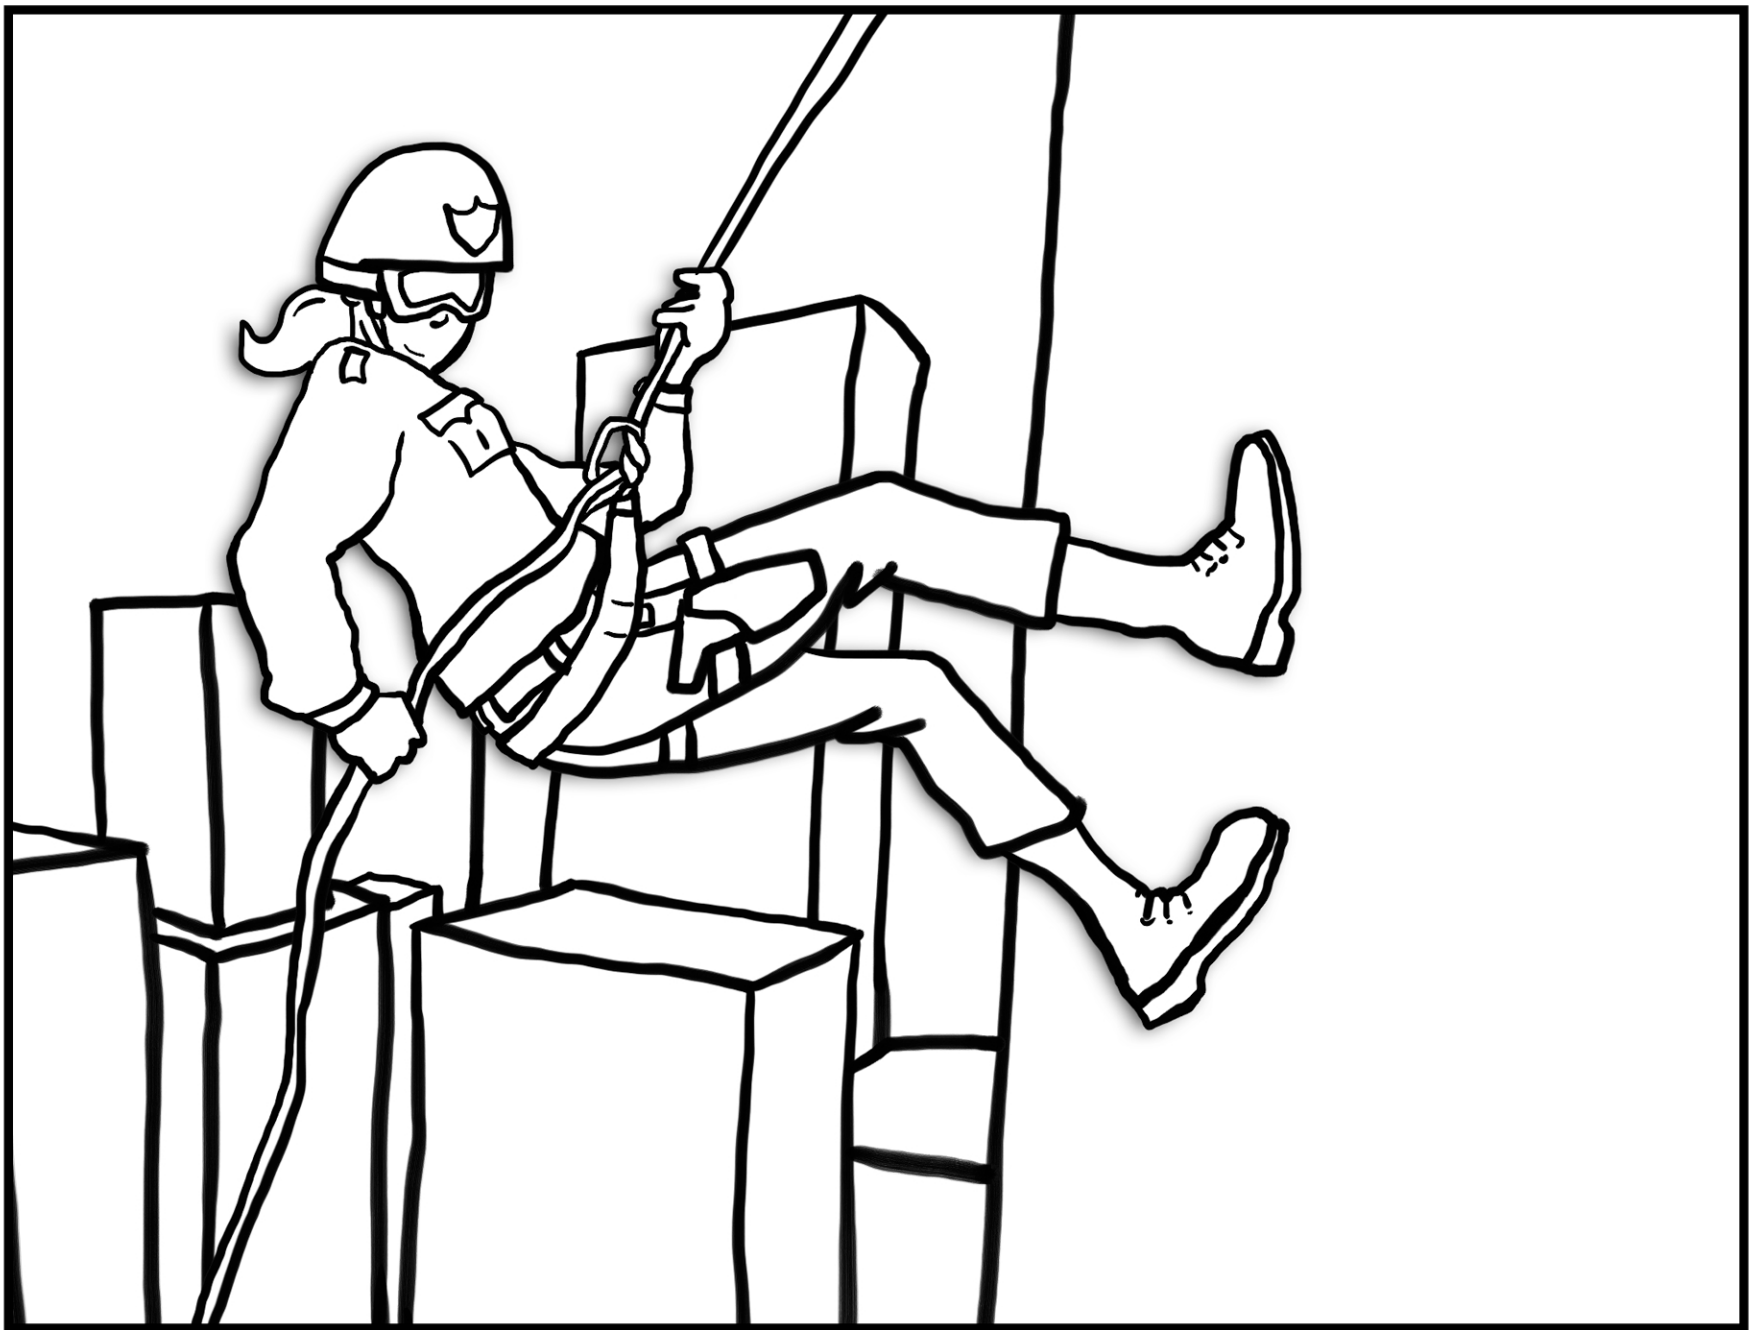

**Detectives are needed to solve each mystery
Cracking the cases all throughout history**

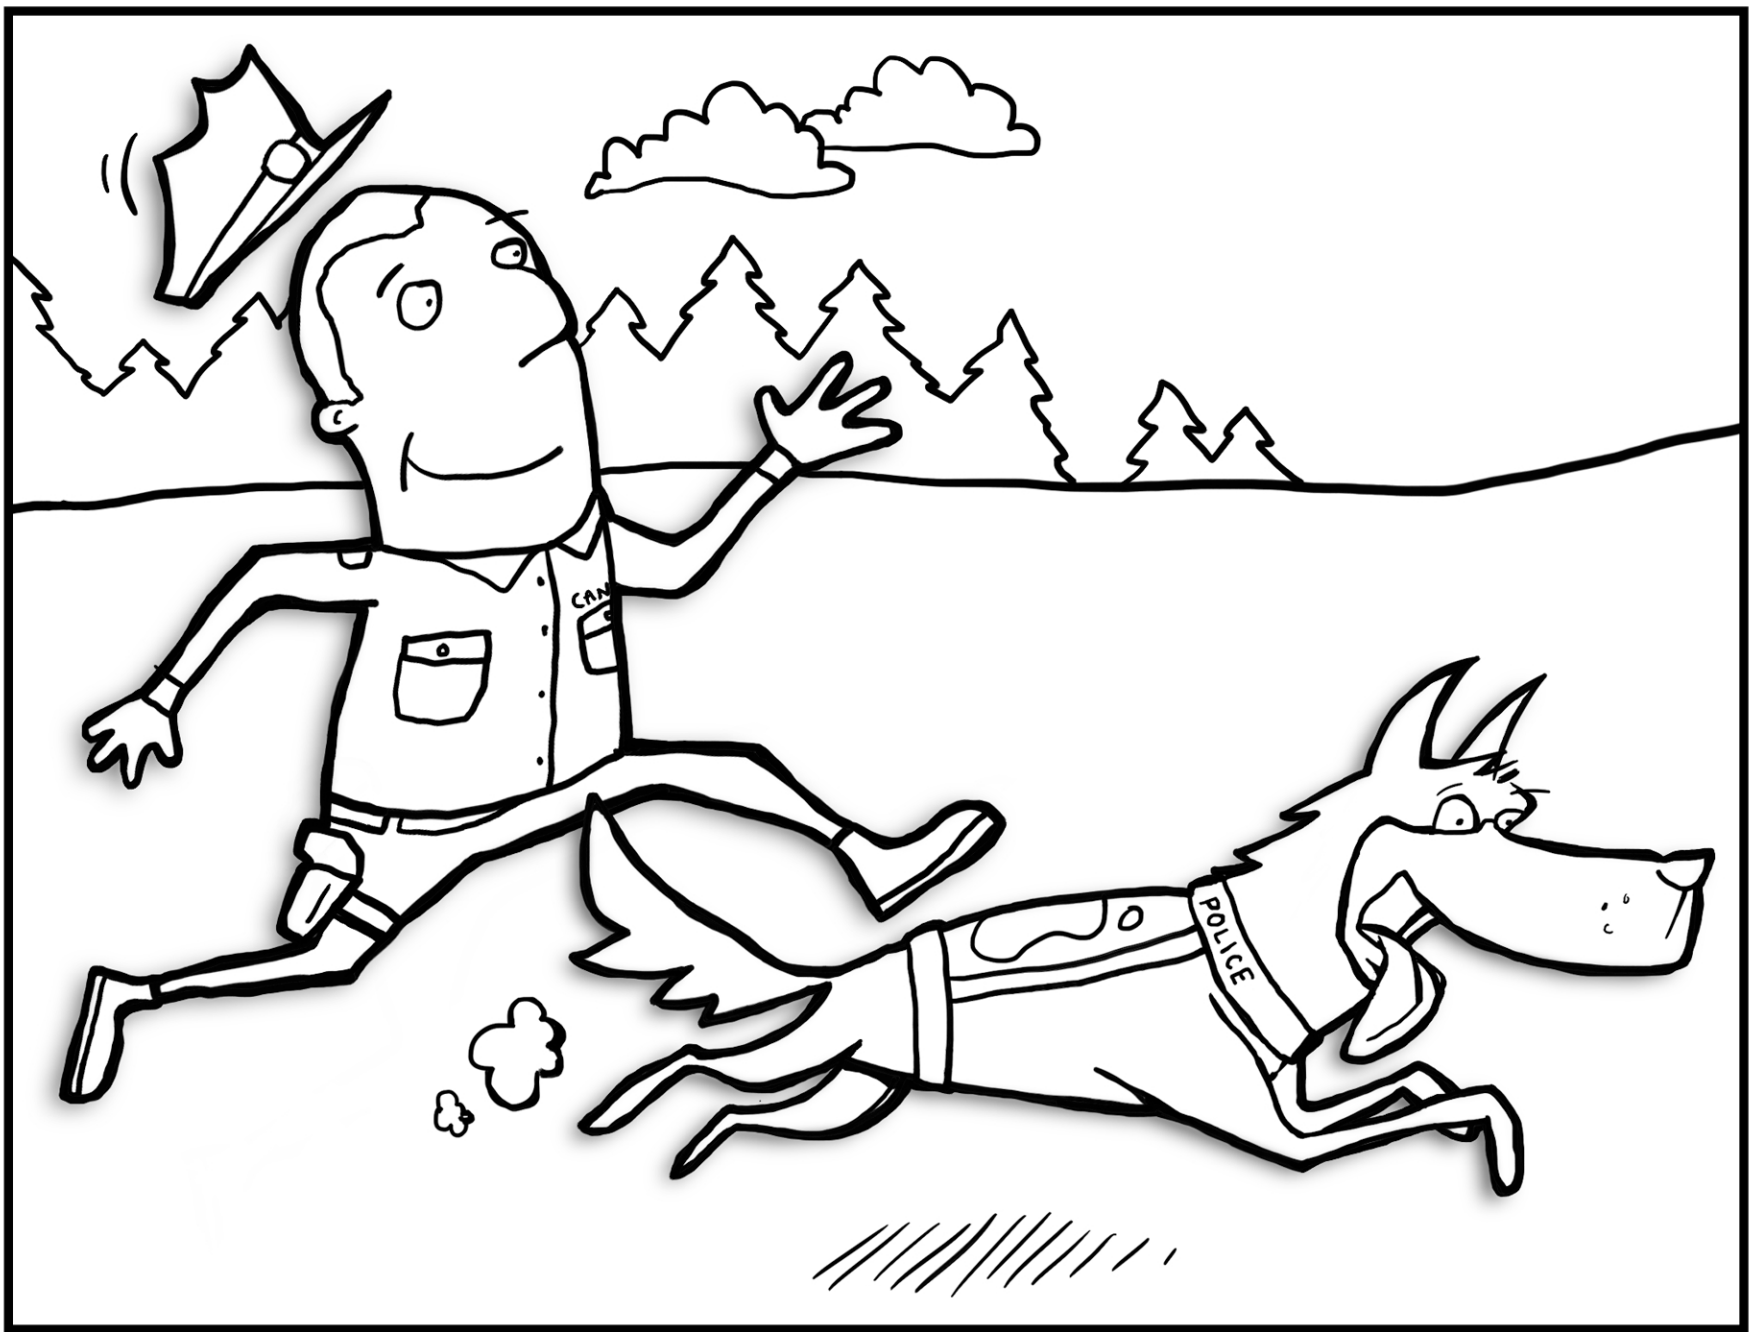

**Some of the police fly around in the air
Keeping an eye out because they care**

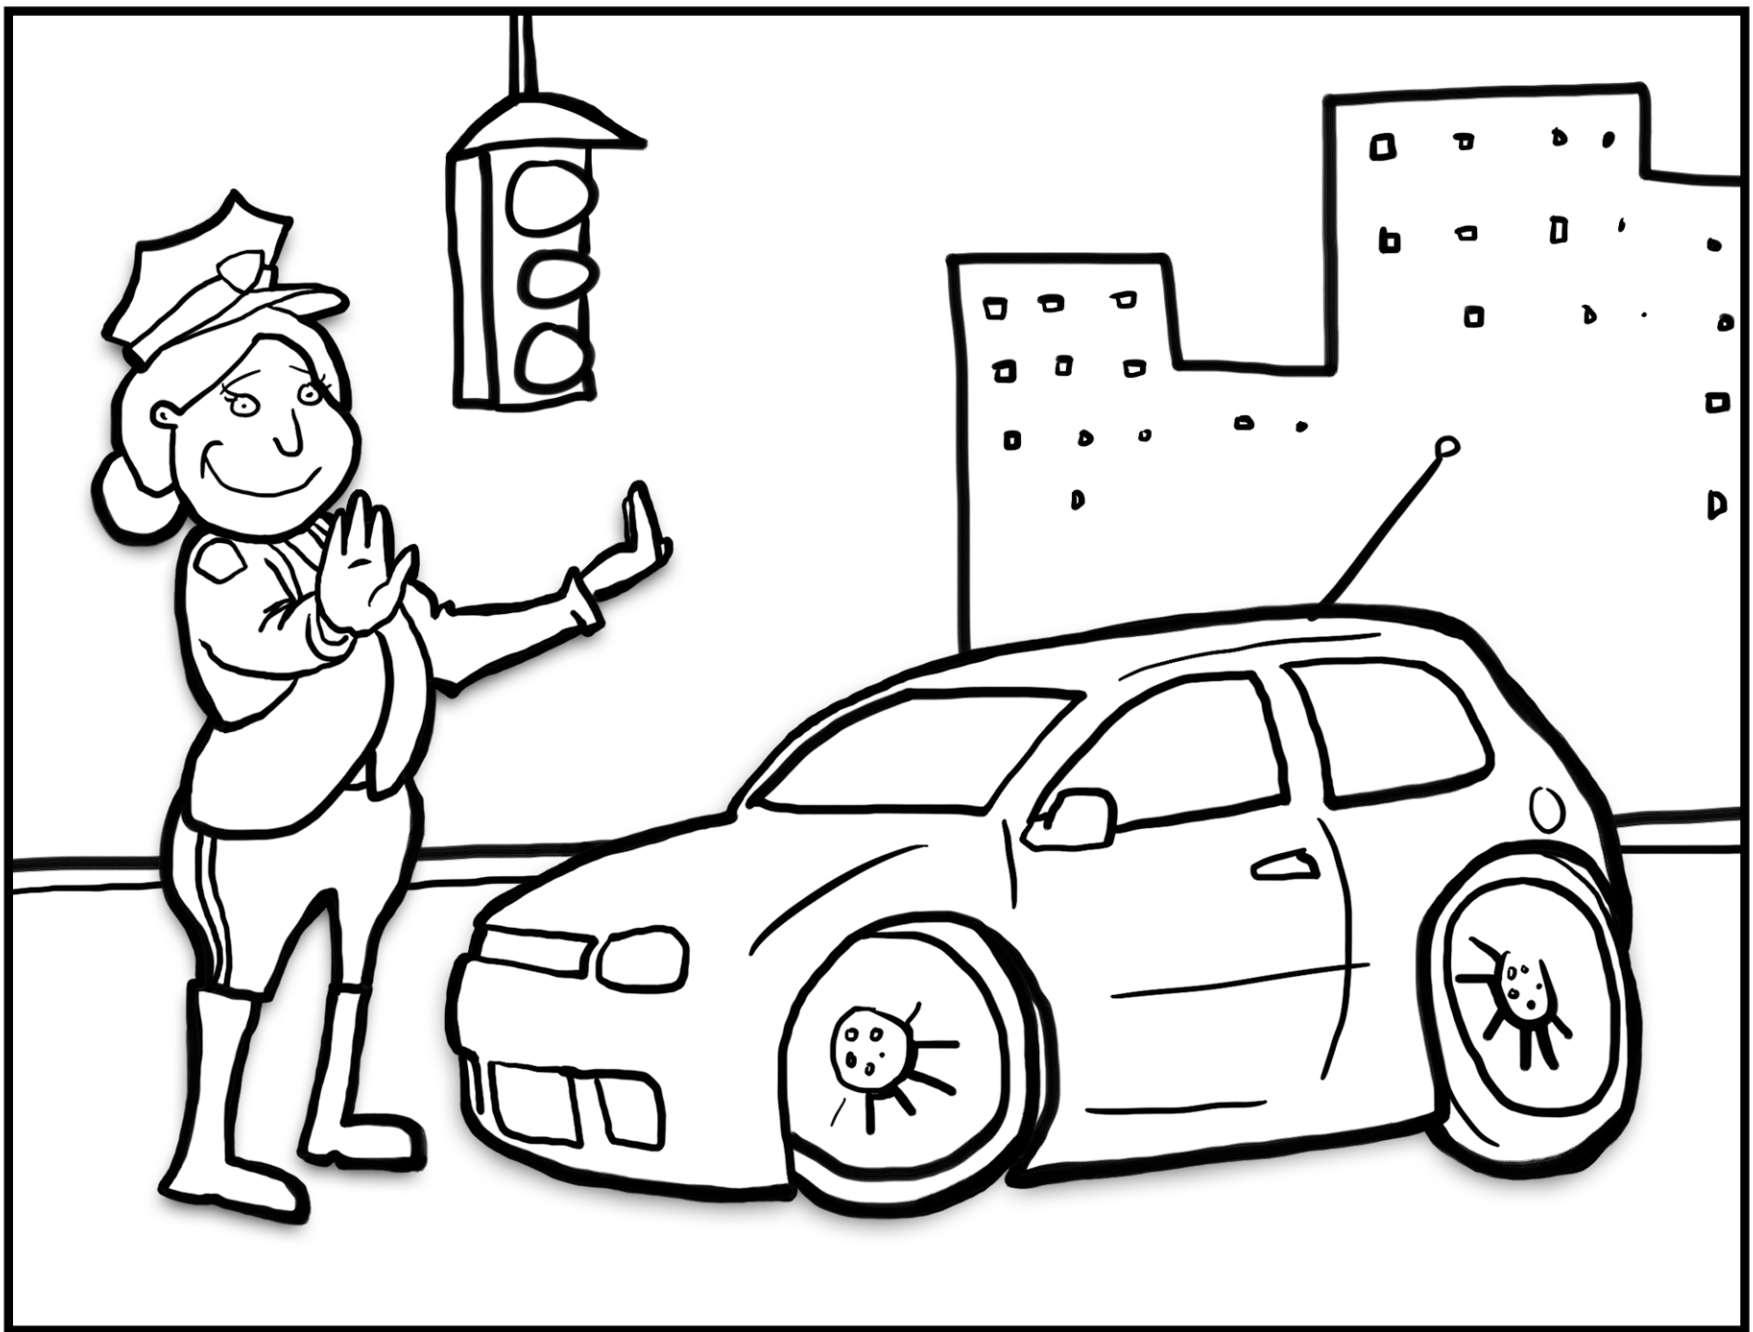

**They drive in their cars, all crisp black and white
Patrolling our streets, from daytime till night**

**The tactical teams are off to the races
Managing to get to the hard to reach places**

**Police officers have partners to help us obey laws
Sometimes those partners even have paws!**

**Police often direct traffic all around town
So that you can get home safe and sound**

Well there you have it, so don't be nervous
Two thumbs up to the Edmonton Police Service
