Enhanced Security Clearance Policy

Purpose:

The purpose of the Enhanced Security Clearance (ESC) process, as it relates to the EPS, is to:

1. maintain security and integrity,
2. protect all information assets,
3. maintain the public trust and confidence, and
4. protect all members.

Statement of Principle:

The ESC process provides a method to manage and mitigate potential risk to the EPS by assessing the background of applicants and current employees.

Policy Statement:

The ESC process includes, but is not limited to, permanent or temporary employees, sworn and civilian members, volunteer, contract or trades persons, student field placement assignments, cadets, consultants and external auditors.
