External Funding Policy

Purpose:

To address external funding support that meets EPS guidelines including valued partnership opportunities that contribute to a safe community.

Statement of Principle:

The EPS, in its community policing philosophy, recognizes the pursuit of external funding as a legitimate activity that serves the interests of both the EPS and the community.

Policy Statement:

When managing external funding support, the EPS must maintain public confidence ensuring consistent, effective oversight and the management of risks associated with:

1. donations,
2. grants,
3. sponsorships,
4. strategic partnerships and letters of support,
5. charitable activities,
6. merchandising and fundraising, and
7. user fees.
